**RE: Request for Right-of-Entry to Former Packard Plant
Detroit, Michigan 48211**

Dear Mr. Kelly:

You have requested a right-of-entry to conduct oversight of Weston Solutions of Michigan, Inc.'s authorized activities to be conducted at the above-referenced location (hereinafter, the "Sites"), more particularly described in **Exhibit A**.

Please be advised that the City of Detroit grants permission to the United States Environmental Protection Agency ("U.S. EPA") to enter the above referenced Sites for the sole purpose of conducting the activities described in **Exhibit B**. The City of Detroit makes no representation or warranty as to the status of title or the physical and/or environmental conditions of the Sites, and access is at U.S. EPA's own and sole risk. This Right-of-Entry shall automatically terminate upon the completion of the work described herein, or on April 29, 2011, whichever occurs first. The City requests that the U.S. EPA provide, without charge, any and all data, analytical results, work plans, reports, documents, or other media generated in connection with the activities.

This Right-of-Entry will be effective only upon execution of the acknowledgment and agreement noted herein by an authorized representative of the U.S. EPA and upon delivery of same to Mr. Raymond A. Scott of the Buildings, Safety Engineering and Environmental Department.

Sincerely,

Marja Winters
Deputy Director, Planning & Development Department

United States Environmental Protection Agency, by its duly authorized representative, hereby acknowledges receipt of the original copy of this letter, and agrees to be bound by the terms and conditions stated herein.
